

Transitions®

light under control®

Taking care of your eye health by providing the best visual protection against harmful blue light and UV rays is our priority.

HOW DO YOU PROTECT YOUR EYES FROM THE FOUR MAIN HARMFUL SOURCES OF BLUE LIGHT?

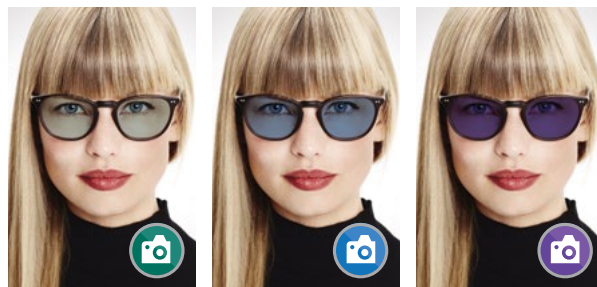

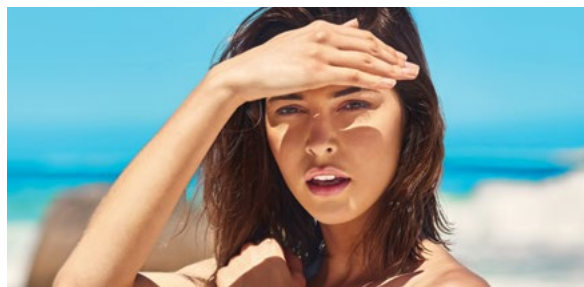

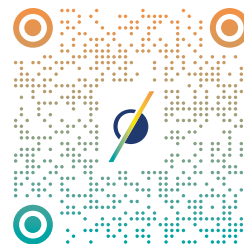

TAKE ADVANTAGE OF YOUR WAITING TIME
TO DISCOVER TRANSITIONS...

**TEST YOUR
LIGHT
SENSITIVITY!**

**CHOOSE YOUR
STYLE AND
YOUR COLOUR!**

WHY WE RECOMMEND TRANSITIONS FOR YOU?

Because Transitions is THE ONLY LENS that offers you:

- 1 / 100% protection against **UV** and **harmful blue light** both indoors and outdoors
- 2 / **Immediate** and **rapid** adaptation to light, thus reducing glare
- 3 / A wide range of **stylish** and **trendy colours**
