Transitions™
light intelligent lenses

Transitions™

Transitions® light intelligent lenses™ **automatically adapt to changing light conditions.** Responding to the light around you, they intelligently change from clear to dark when you go outdoors and back to clear when you return inside.

By optimizing the amount of light your eyes receive, *Transitions* lenses also **help reduce glare, eye fatigue and strain, for more effortless sight.**

All *Transitions* lenses block 100% of UV rays and help protect against harmful blue light from digital devices, screens and especially bright sun.

Transitions offer a choice of products tailored to your eyecare needs and are available in a wide range of stylish lens colours so you can express your personal style.

Take control of light and enjoy hassle-free protection anytime, anywhere on any device - indoors and out!

Transitions™ Signature® GEN8™

NEW Technology NEW Frontier of performance

The perfect lens for everyday life. Constantly adapts to all light situations for better vision, comfort and protection.

- / Fully clear indoors
- / Darkens outdoors in seconds
- / Returns to clear faster than ever
- / Protects your eyes indoors & outdoors

AND INTRODUCING NEW Style COLORS

Pick your colour, choose your style

Transitions® Signature® lenses are now available in a choice of 4 vibrant **new Style Colors** for you to personalize any frame and express your style.

4 NEW Style Colors

Transitions™ XTRActive®

Best for extra protection, even in the car

Uniquely designed to protect your eyes from the brightest sun outdoors and harsh artificial light indoors.

Extra dark outdoors to protect your eyes from the brightest sun, even in the hottest conditions

Darken behind the windshield to protect drivers' eyes from sunlight

Outdoors // Extra dark
Indoors // Clear with a hint of protective tint

AND INTRODUCING NEW Style MIRRORS

Make a style statement

Freestyle your frames with one of our intelligent mirror colours, which adapts to any light.

5 NEW Style Mirrors

Transitions™ Vantage®

Best for glare reduction outdoors

The world's only intelligent lenses that automatically polarize as they darken outdoors.

Polarization adjusts to match the level of glare outdoors

Noticeably crisper, sharper vision outdoors

Outdoors // Extra dark with variable polarization
Indoors // Clear with a hint of protective tint
